Career Objective

Motivated Computer Engineering student with training in Java Full Stack Development. Skilled in Java, Spring Boot, React JS, SQL, HTML, CSS, and JavaScript. Able to develop responsive web applications and REST APIs. Seeking an entry-level opportunity to apply full stack development skills in real-world projects.

Technical Skills

Programming Languages: Java, JavaScript, Python (Basics)

Frontend Development: HTML5, CSS3, JavaScript, React JS, Bootstrap

Backend Development: Core Java, JDBC, Spring Boot, REST API, JSON, API Integration, MVC Architecture

Database: SQL, MySQL, SQLite

Tools: Git, GitHub, Postman, Maven, VS Code, IntelliJ IDEA

Concepts: OOP, DBMS, Data Structures (Basics), Client-Server Architecture

Projects

Healthcare Administration Console

Technologies: Java, Spring Boot, MySQL, HTML, CSS, React

- Developed healthcare console to manage patient records and appointments.
- Implemented CRUD operations using Spring Boot and MySQL database.
- Designed REST APIs for data communication between frontend and backend.
- Created responsive user interface using HTML, CSS, and React.
- Applied OOP concepts for structured and maintainable code.

TechQuest – Full Stack Quiz Application

Technologies: React JS, JavaScript, Java, Spring Boot, MySQL

- Developed online quiz platform for technical assessments.
- Built interactive frontend using React JS.
- Created backend services using Java and Spring Boot.
- Implemented REST APIs for quiz management and score tracking.
- Stored quiz data and results in MySQL relational database.

Internship

Web Development Intern

CodeClause

Jan 2025 – Feb 2025

- Worked on real-world web applications using HTML, CSS, JavaScript.
- Improved website responsiveness and user experience.
- Used Git and GitHub for version control.
- Gained experience in frontend development and deployment.

Education

B.Tech in Computer Engineering

SSVPS B.S. Deore College of Engineering, Dhule

Aug 2022 – May 2026

CGPA: 7.0

HSC (12th)

Pratap College, Amalner

2022

70.5%

SSC (10th)

G S High School, Amalner

2020

83.6%

Certifications

- Java Programming – Infosys Springboard | SQL – Coursera
- Web Development – Coursera | Python Programming – GUVI

Achievements

- Reliance Foundation Scholar (2022–2026)
- Finalist in inter-college coding competition
